

**DOES HENRY FORD FORD?—YOU BET HE DOES!
IDAH M'GLONE GIBSON WATCHES HIM DO IT**

Henry Ford at the wheel. The photographic inset shows Ford riding in the first auto he turned out. The rest of the Fords like variety in motors, but for Henry Ford it's always a Ford!

BY IDAH M'GLONE GIBSON

Detroit, Mich., July 23.—"I wonder if Ford drives his own Ford?" I asked someone in Detroit this morning.

"Always," was the answer. "From

the time that Henry Ford first drove his first Ford through the streets of Detroit and created something of a sensation he has driven no other make of car than his Ford.
